

Libraries™ Rock!

Dear Lower School Families,

It is hard to believe the year is ending and summer is beginning. We are so proud of the reading growth that has taken place this year. Let's keep the momentum going! We will not have AR Thursdays on campus this summer but we wish to be an advocate for our Public Libraries. Visit weekly, enjoy their shows, check out books, and **READ, READ, READ!!!** Remember to prevent the dreaded "**Summer Slide,**" students need to read for at least **20 minutes a day** and there are 1440 minutes in a day! There's plenty of extra minutes for kids to do the other things they enjoy.

We will continue the theme "**Reading Rocks**". Included is a reading log where you can log the number of minutes you read throughout the summer. For every 100 minutes read, you will earn a "reading rock" and we will continue to add to Ms. Pam's colorful garden. Keep your list going all summer and turn it in at the beginning of the next school year. You will exchange your reading minutes for painted rocks. This is a win-win situation- your reading keeps your skills sharp and this makes Ms. Pam's area so beautiful!

Happy Reading!
