Photo/Video/Media Release & Consent Form

As parent or legal guardian of the student(s) listed below, I understand, acknowledge, and agree that Southampton Academy ("SA") faculty and staff, the local media, and other organizations will take photos, video, audio, or recordings in other media formats of students for purposes including, but not limited to, school or extracurricular activities, campus activities, video/interactive classroom learning, yearbook or other similar activities. Such photos, video, audio, or other media may appear on the SA website, in the SA yearbook (published and online), in print media, on social media such as Facebook or Instagram, on the internet, and in other school-related publications.

In connection herewith, I grant SA permission to record and use the image, likeness, and voice of my student(s), in photo, video, audio, or other media format. I understand that such permission will remain effect in subsequent school years unless I revoke this authorization by notifying the Headmaster in writing. I specifically waive any right to compensation in connection herewith. I hereby hold harmless, release and forever discharge SA, or any other person or entity using such materials from all claims, demands and causes of action of any kind whatsoever arising in connection herewith.
